COP29
Baku
Azerbaijan

1. Introduction

The goods that will be temporarily brought to Azerbaijan must be declared via the [E-customs: Electronic Customs Services portal](#) at least **72 hours** prior to arrival in Azerbaijan:

- All media equipment that will be temporarily imported into Azerbaijan (both radio-electronic devices registered via the [COP29 Radio Spectrum Management Portal](#) and any other equipment not requiring spectrum allocation)
- Goods with a customs value over **800 USD**
- Currency (if the amount exceeds the equivalent of **10,000 USD** in cash)

When you arrive in Azerbaijan, you must present the following documents to the customs officer at the airport:

- Acknowledgement letter
- QR code from the [COP29 Radio Spectrum Management Portal](#) (if you bring radio-electronic equipment)
- Simplified declaration for passengers (hard copy or QR code)

Note: The declaration must be presented along with the declared goods to the customs officer upon departure from Azerbaijan.

2. Creation of a new declaration

To create a new declaration, visit [E-customs: Electronic Customs Services portal](#) and click **'+New'**.

The screenshot shows the 'Simplified declaration for passengers' page. The page title is 'Simplified declaration for passengers' with a subtitle 'For individuals / Simplified declaration for passengers'. On the left, there is a dark blue sidebar with various icons. The main content area is divided into two sections. The left section features a large blue document icon with a white plus sign, the text 'Create a new declaration', and a red-bordered button labeled '+ New'. The right section contains a 'Note' box with the text: 'If you made a declaration without registration, you can find and edit it by entering your passport number (or PIN), date of birth and phone number of the person specified in the declaration.' Below the note are three input fields: 'Passport number (or PIN)', 'Date of birth' (with a calendar icon), and 'The phone number you mentioned when writing the declaration' (with a dropdown menu showing '+994'). A green 'Edit' button is located below the phone number field. In the bottom right corner, there is a circular chat icon with the number '195'.

Select **'Belonging to me'**, enter your citizenship, passport number (or PIN) and date of birth, then click **'Next'**.

Note: Declare the goods using **the same document (passport or ID)** with which you are traveling. Passengers eligible to travel to Azerbaijan with an ID card can enter the **PIN**.

The screenshot shows the 'Simplified declaration for passengers' form at step 2, 'Personal information'. The progress bar at the top indicates the current step. The main form area contains the following fields:

- Whose goods are you declaring?**: Two radio buttons. The first, 'Belonging to me', is selected and highlighted with a red box. The second is 'Of a person under the age of 18'.
- Citizenship**: A dropdown menu showing 'United States of America'.
- Passport number (or PIN)**: A text input field containing 'C000000'.
- Date of birth**: A date picker showing '11.11.1991'.

At the bottom of the form, a blue 'Next' button is highlighted with a red box. To the right, an 'Information' sidebar provides instructions for users, including a note about declaring goods and a QR code, and a note about declaring goods for minors.

Enter your name, surname and mobile number, then click **'Next'**.

Note: Ensure the mobile number you entered is correct. An SMS message may be sent to this number if necessary.

The screenshot shows the 'Simplified declaration for passengers' form at step 2, 'Personal information'. The progress bar at the top indicates the current step. The main form area contains the following fields:

- Surname**: A text input field containing 'Hasanli'.
- Name**: A text input field containing 'Humay'.
- Patronymic**: A text input field containing 'Fuad'.
- Mobile number**: A text input field containing '+1 (206) 222-2222'.

At the bottom of the form, a blue 'Next' button is highlighted with a red box. To the left of the 'Next' button is a 'Back' button. To the right, an 'Information' sidebar provides instructions for users, including a note about ensuring accuracy and a note about SMS messages.

Select **'Country of departure'** and choose the initial country you are departing from. Choose **'Air'** in the **'Means of transport'** field, enter your arrival date and flight number, then click **'Next'**.

The screenshot shows the 'Simplified declaration for passengers' form at step 3, 'Direction'. The progress bar indicates steps 1 (Start), 2 (Personal information), 3 (Direction), 4 (Goods/currency information), and 5 (Confirm). The 'Country of departure' is checked and set to 'United States of America'. The 'Means of transport' is selected as 'Air'. The arrival date is '06.11.2024' and the flight number is 'AZ1111'. The 'Next' button is highlighted with a red box.

2.1. Declaration of goods

To declare the goods you plan to bring into Azerbaijan, select **'Yes'** in response to the question under the **'Goods'** category.

The screenshot shows the 'Simplified declaration for passengers' form at step 4, 'Goods/currency information'. The progress bar indicates steps 1 (Start), 2 (Personal information), 3 (Direction), 4 (Goods/currency information), and 5 (Confirm). There are four sections: 'Goods' (Are there any goods to be declared? Yes selected), 'Currency' (Is there any currency in excess of the allowed cash amount? No selected), 'Vehicle' (Is there any vehicle to be declared? No selected), and 'Deceased person' (Information about the deceased person, corpse in a coffin and ashes in an urn? No selected). The 'Next' button is highlighted with a red box.

You may choose relevant goods under **'The most declared goods'** section or scroll down to the fields below to select specific goods.

For media equipment declaration, select **'Other goods'** from the **Main category** field, **'Media equipment'** from the **Main group** field and the specific equipment from the **Subgroup** field.

Next, enter relevant details (make, model, etc.) in the **'Description of goods'** field and indicate the cost, quantity and unit of the item being declared.

Note: If you are declaring multiple units of the same goods, please enter the total cost in the **'Cost of goods (USD)'** field.

Since the goods are imported temporarily, select **'Temporarily imported/exported goods'** and provide the exact return date.

Note: If you select **'Temporarily imported/exported goods'**, you are required to return these items upon departure from Azerbaijan. The customs officer will impose a border crossing restriction once your declaration is approved. When you depart the country, proceed to the crossing point and present your declared items to the customs officer for the restriction to be removed.

After entering all the required information, click **'Add'**.

Information
When you declare a mobile phone, ensure the IMEI code is entered correctly. When you register the phone on the portal.rinn.az portal, the information you provide will be compared to the details in your declaration. In case of a discrepancy, the phone will not be registered.
For specific categories of goods (like weapons, drones, etc.), a special permit is required for entry into Azerbaijan. If your goods belong to this category, select **'Permit document required'** and enter the issuing authority, number and issuance date of the document.
If you select **'Temporarily imported/exported goods'**, you are required to return these items upon departure from Azerbaijan. The customs officer will impose a border crossing restriction once your declaration is approved. When you depart the country, proceed to the crossing point and present your items to the customs officer for the restriction to be removed. Use this [link](#) to check if you have any border crossing restrictions.

Click to edit the information you entered and to delete the goods. To add other items, select **'Add new goods'**.

2.2 Declaration of currency

If you plan to bring foreign currency exceeding the equivalent of 10,000 USD, select **'Yes'** in response to the question under the **'Currency'** category.

The screenshot shows the 'Simplified declaration for passengers' form at step 4, 'Goods/currency information'. The progress bar at the top indicates that 'Start', 'Personal information', and 'Direction' are completed, while 'Goods/currency information' is the current step, followed by 'Confirm'. The form is divided into four sections: 'Goods', 'Currency', 'Vehicle', and 'Deceased person'. The 'Currency' section is highlighted with a red box around the 'Yes' radio button. The 'Information' panel on the right provides instructions: 'Select 'Yes' in response to the questions presented in each section and click 'Add'. Enter the required information in the window that opens. If there is no information to be declared for the relevant category, select 'No'. Click the 'Update' button to review or edit the information you already entered.'

Enter the amounts in the relevant fields and click **'Add'**.

The screenshot shows the 'Simplified declaration for passengers' form at step 4, 'Goods/currency information'. The 'Currency' section is expanded, showing input fields for USD, Euro, Russian ruble, and AZN. Below these fields, there is a section titled 'If you have another currency add it below' with a dropdown menu for 'Select currency' and an input field for 'Amount'. The 'Add' button next to the 'Amount' field is highlighted with a red box. The 'Information' panel on the right provides instructions: 'Click 'Add' after entering the information about the currency you bring to the country.'

3. Submission of a declaration
